HIS HONOUR the Honourable James Alexander Macdonald, Administrator, directs the publication of the message of His Majesty the King to his subjects throughout the Empire, as follows:—

"LONDON,

"October 22nd, 1915.

"TO MY PEOPLE:

"At this grave moment in the struggle between my people and a highly organized enemy who has transgressed the laws of Nations and changed the Ordinance that binds civilized Europe together, I appeal to you. I rejoice in my Empire's effort and I feel pride in the voluntary response from my subjects all over the world who have sacrificed home, fortune, and life itself in order that another may inherit the free Empire which their ancestors and mine have built, I ask you to make good these sacrifices. The end is not in sight. More men and

yet more are wanted to keep my armies in the field and through them to secure victory and enduring peace. In ancient days the darkest moment has ever produced in men of our race the sternest resolve. I ask you men of all classes to come forward voluntarily and take your share in the fight. In freely responding to my appeal you will be giving your support to our brothers who for long months have nobly upheld Britain's past traditions and the glory of her arms. **GEORGE R.I."**

"His Honour the Lieutenant Governor of the Province of BC, Victoria BC.

"I beg to inform you that the British Red Cross Society and the Order of St John, in view of the great demands upon their resources both in France and the Near East, have decided to make an appeal throughout the Empire by street and other collections upon the twenty first day of October next, the money received from this appeal will be devoted entirely to relieving the sufferings of our wounded soldiers and sailors from home and overseas at the various seats of war. From all parts of the Kings Dominions we have already received generous assistance in our work, but with the increase of British and Overseas Forces at the Front there is a corresponding increase in our expenditure and we shall be truly grateful to you if you will help us by organizing an appeal, and sending the proceeds to us for the objects which I have named. I shall be greatly obliged if you will kindly communicate the foregoing to your Government.

VICTORIA, B.C., 14th July, 1915.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, His Honour the Lieutenant-Governor of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, or Turkish subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, or Turkish subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, or Turkey, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, or Turkish subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subjects, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, or Turkish subjects resident in this Province at the commencement of the war and during the war.

And that the Order in Council herein, No. 553, dated the 15th May, 1915, be rescinded.

DOMINION ORDERS IN COUNCIL.

[2148]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Thursday, the 16th day of September, 1915.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOV-
ERNOR-GENERAL IN COUNCIL.

WHEREAS application has been received for permission to use automobiles in Jasper Park: And whereas it is considered to be in the public interest to extend the privilege of using motors to any parks where motors may be a greater convenience to the public and where they may be used in safety:

And whereas at present there are no parks regulations governing the use of motor vehicles in any park except the Rocky Mountains Park:

Therefore the Governor-General in Council, under the authority of the "Dominion Forest Reserves and Parks Act," is pleased to order as follows:—

The regulations for the use of motor-vehicles within the Rocky Mountains Park, as approved by Order in Council of the 19th June, 1915, are hereby extended to the other Dominion Parks, with the exception of clauses 11 and 16, and wherever the words "Rocky Mountains Park" occur in these regulations they shall be replaced by the words "any Dominion Park," and the following clauses shall be substituted for the said clauses 11 and 16:—

"11. A motor-vehicle may be driven in the park during daylight from and after 6 o'clock in the morning: Provided, however, that any motor-vehicle entering the park and proceeding directly to any permanent station may be allowed to run up to the hour of 11 p.m.

"In addition, motor-vehicles may be driven from any hotel or public building or station which the Minister shall from time to time specify via such roads or streets as shall from time to time be designated by the Minister to any railway depot at any time for the purpose of meeting or dispatching guests on trains.

"16. No motor-vehicle shall be run upon any public highway, road, or street within the limits of any townsite in the park at a greater rate of speed than eight miles per hour or upon any public highway within the park outside of any townsite at a greater rate of speed than fifteen miles per hour."

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

[2140.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 17th day of September, 1915.

PRESENT:

THE DEPUTY GOVERNOR-GENERAL IN
COUNCIL.

WHEREAS the present regulations for the leasing and administration of lands containing limestone, granite, slate, marble, gypsum, marl, gravel, sand or any building stone, the property of the Crown, known as the quarrying regulations as extended and made to apply to lands contained in the forest reserves and parks as constituted by the "Dominion Forest Reserves and Parks Act" are not sufficient for the full protection of all parks' interests;

And whereas, in disposing of quarrying lands within the parks, it is desirable that provision be made to prohibit the leasing of such areas as will seriously interfere with parks purposes and to provide for the operating of quarries so as to cause as little interference as possible with parks' interests.—

Therefore the Governor-General in Council, under the authority of the "Forest Reserves and Parks Act," is pleased to order as follows:—

The Order in Council dated 6th June, 1911, which extended the quarrying regulations established by Order in Council dated 13th May, 1910, and applied them to the Dominion forest reserves and parks, and the Order in Council dated 30th

April, 1913, which extended the clay regulations as established by Order in Council dated 21st November, 1912, and applied them to Dominion forest reserves and parks, are hereby rescinded so far as they affect Dominion parks; and—

The regulations for the administration and leasing of lands containing limestone, granite, slate, marble, gypsum, marl, gravel, sand or any building stone, the property to the Crown, as approved by Order in Council of 13th May, 1910, re-established by Order in Council of 16th August, 1911, and amended by Orders in Council dated 21st November, 1912, and 19th March, 1913, so as to include the leasing of Dominion lands containing deposits of clay, are hereby established and made to apply to all lands within Dominion parks, except Buffalo Park, Elk Island Park, or any other park area established solely as an animal enclosure or bird sanctuary, subject to the restrictions herewith attached.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

1. No lease for quarrying purposes shall be granted for any area within a Dominion park until the application has received the written approval of the Commissioner of Dominion Parks, or other official appointed by him, and unless he, or other official appointed by him, is satisfied that the granting of such lease will not mar the beauty of the park or unduly interfere with the purposes for which it was established.

2. The area leased for quarrying purposes hereinafter referred to as the leasehold shall include only such surface rights as shall be specified in writing by the Superintendent of the park concerned, hereinafter called the "Superintendent," as being required for active quarrying operations, and any surface rights over any portion of a leasehold which are not thus specified may be disposed of by the Minister of the Interior, hereinafter called the "Minister," for any purposes which, in the interests of such park, may be considered advisable.

3. The Minister may at any time resume possession of any portion or portions of the leasehold should he deem it necessary or advisable in connection with the establishment and use of railway, transmission, telephone or telegraph lines, reservoirs, water-power sites or any other works of a public or semi-public character, and an abatement will be made in the yearly rent at the rate of one dollar (\$1) for every acre, possession of which shall have been so resumed and the lessee shall have no claim for damages in any way resulting from such resumption.

4. No operation shall be commenced or proceeded with on any quarrying claim within any park until the Superintendent has been first advised in writing by the lessee, and until the Superintendent or other officer of the Department of the Interior acting in the capacity of such Superintendent shall have given his written approval to the lessee of the work to be carried on.

5. The said lands shall be used for the purposes of the said quarrying operations and for no other purpose except with the consent of the Minister.

6. All earth, stone, refuse, or other objectionable material which may accumulate through the operations of the quarry shall be disposed of by the lessee in a manner satisfactory to the Superintendent and in accordance with his instructions.

7. No nuisance or disorder shall be permitted on the leasehold, and the land and works shall be kept in a clean and sanitary condition to the satisfaction of the Minister.

8. No rubbish or other objectionable material shall be removed from the leasehold and deposited in the park without written permission being first received from the Superintendent of such park.

9. It shall be lawful for the Minister or any person acting under his authority to enter upon the said leasehold and examine the condition thereof, at all reasonable times during the term of the lease.

10. Such royalty as may from time to time be fixed by the Governor in Council shall be paid by the lessee to the Minister or such officer as may be appointed to receive the same.

11. Any person or persons duly authorized by the Minister may quarry or carry away at any time from the leasehold any stone or other material required for park purposes without compensation to the lessee, but in so doing no unnecessary interference shall be caused to the carrying-on of the work of the lessee, and the lessee shall not be compelled to pay any royalty on such material so removed from the leasehold for park purposes.

12. The lessee shall not cut or interfere with any timber, trees, or other vegetation on the said lands except to such an extent as in the judgment of the Superintendent is necessary to clear an area sufficient for the operation of the quarry, and shall not impair the natural beauty of the park except to such an extent as in the judgment of the Superintendent is necessary for such quarrying operations.

13. The Superintendent may grant a permit to lessee to clear off timber and other vegetation from area sufficient for the operation of the quarry upon payment of timber dues as prescribed in the regulations for the removal of timber in Dominion parks.

14. A proportionate share, as the Minister may decide, of the cost of fire and game protection in the vicinity of the leasehold shall be paid by the lessee.

15. The leasehold and the works and structures thereon, shall be maintained by the lessee in a manner satisfactory to the Superintendent of the park, and if the quarrying operations terminate or cease through any cause whatsoever at any time, the lessee, at the option of the Minister, shall remove or destroy without delay the buildings and other works placed by him on the leasehold, and shall deliver the leasehold to the possession of the Minister in an orderly and safe condition to the satisfaction of the Minister, and should the lessee fail to do this upon receipt of written instructions from the Minister, such refusal shall be accepted as a forfeiture of all rights or claims to the buildings or works and the same may be disposed of by the Minister in such a manner as he considers advisable, and in the case of such disposal by the Minister the lessee shall have no right or claim for damages resulting therefrom.

16. The sites of all buildings, structures, and shipping appurtenances to be erected on the said lands under this leasehold shall be subject to the approval of the Superintendent.

17. No building or buildings shall be erected on the leasehold without the Superintendent being first advised in writing, or before the Superintendent, or an officer of the department appointed by him, shall have given his written approval to the lessee of the situation, style, and design of the proposed building or buildings; and should the Minister at any subsequent time deem it wise or expedient for park interests that the said building or buildings be destroyed, or removed to some other location, or that the style or design of the building or buildings be changed, such destruction or removal or change shall be performed by and at the expense of the lessee with all possible dispatch.

18. Proper and sufficient provision, to the satisfaction of the Superintendent, for the protection of the public in connection with blasting or other operations of a dangerous or offensive character, which may be necessary or desirable in connection with the operations of the lessee, shall be made by the lessee, who shall be responsible for all claims or actions for damages to any person, persons, or property, which may arise in any manner through his operations.

19. The lessee shall take such action at any time and in any manner as the Minister may direct or require to improve the conditions of the leasehold.

20. Such copies of the park regulations or general instructions regarding parks shall be posted and maintained by the lessee in a conspicuous position on the leasehold, as the Minister may direct from time to time.

21. The lessee shall comply with all the requirements of the Superintendent in respect to water supply, sewerage and sanitation and any other particular so as to protect public health and property.

22. The water in any lake, river, stream, or any body of water which may be on, or adjacent to,

or flow through, or near any leasehold shall not be polluted or contaminated by the lessee or his employees.

23. The Minister may build any roads or trails through any leasehold, and all roads and trails which may cross any leasehold shall be kept open and in good repair by the lessee, and the public shall have free use of and access to all such roads and trails.

24. If any of the regulations are broken or violated by the lessee, the Minister may summarily cancel the lease or may stop all operations on the leasehold for such period or periods as he may direct, and the lessee shall have no claim for damages arising from any such cancellation of the lease or such suspension of operations.

25. Any lease made in pursuance of these regulations, and any renewal thereof, shall be subject to all regulations for the control and management of Dominion parks now in force or which may hereafter be made from time to time by the Governor in Council. oc14

4. Compensation for fighting forest fires shall be made at the daily rate of wages prevailing at the time in the district in which the fire occurs, with board, or a reasonable allowance therefor, added, but no employee of the department shall receive any remuneration for such services in addition to the remuneration he is in receipt of as such employee. Any person who is required to fight a forest fire and does not assist to the satisfaction of the officer in charge in extinguishing the fire, shall receive no pay and shall be liable to the penalties prescribed by these regulations.

USE OF FIRE.

5. The period from the first day of April to the first of November in each year shall be known as the close season in respect to the setting of fire, and no person shall, during such season, set out or cause to be set out, or started, any fire in the open air within the limits of any Dominion park, except for the purpose of cooking, obtaining necessary warmth, or for insect smudges, without first having obtained written permission therefor from the Superintendent of such park: Provided, that any Warden or Fire Ranger may with reasonable care set out fire or cause the same to be set out under his instructions at any time for the purpose of protecting the timber or decreasing fire danger or for any other purpose required for the proper administration of the park.

6. Every person who makes or starts a fire in the open air for cooking or camping purposes shall—

- (a.) Clear away all brushwood, dry leaves, and other combustible material from a space having a radius of at least ten feet in the centre of which the fire shall be kindled:
- (b.) Exercise and observe every possible precaution to prevent such fire from spreading, and carefully extinguish the same before quitting the place.

Such tank shall also be provided with a filling pipe fitted with a tight screw-cap, and shall be kept under conditions satisfactory to the Superintendent.

9. No person shall, without a written permit from the Superintendent, have or keep any gun-powder, fireworks, dynamite, dualine, or other explosive, in any Dominion park. Any such material shall be kept only under such conditions as may be prescribed by the Superintendent.

10. Any person being within any Dominion park and observing a forest fire starting in such park shall forthwith use his best endeavours to extinguish it. If such fire is beyond his control he shall report it to the nearest park officer and inform the Superintendent with as little delay as possible.

11. Every person cutting timber within any of the parks, and every person located in or travelling or passing through any of the parks, shall be required to comply with all the provisions of any Act or regulations established by the Government of the Dominion or of the Province in which such park is situated, for the protection of forest against fire, and any breach of such Act or regulations shall be held to be a breach of the regulations hereby established, and shall render the person making such breach liable to any penalty provided by these regulations.

INQUIRIES.

15. Every person entering or passing into, across, or through any of the parks, shall, when requested to do so by the Superintendent, or any Warden, or any other officer having charge of or control of such park, truthfully answer any inquiries made to him by such Superintendent, Warden, or officer as to his name, his post-office address, the duration or the proposed duration of his stay in the park, and the portion thereof he intends to visit or has visited, and shall give such other information as may concern park administration.

16. Every person in charge of labourers or of any survey, exploring, or touring party, or any other party in any Dominion park, shall provide himself with a copy of these regulations, and shall read them to such persons or party, and in case a breach of these regulations is committed by any of them the person so in charge shall be liable to the penalty for such breach as if committed by himself, unless he establishes that such breach was committed without his consent and contrary to his instructions; but such liability on the part of the person so in charge of any such party or persons shall not relieve any member of his party from personal liability for any such breach.

17. Every guide employed by any party travelling through any of the parks shall, before the departure of such party, notify the Superintendent of the number, the names and addresses of the members of the party, the date of departure, the route to be travelled, the proposed duration of their stay in such park, and of the firearms carried by the party.

PENALTIES.

18. As provided in the "Dominion Forest Reserves and Parks Act," chapter 10, 1-2 George 5, any person violating any provisions of these regulations shall, in addition to any civil liability thereby incurred, be liable on summary conviction to a penalty of not more than one hundred dollars (\$100), and in default of immediate payment of such penalty, and of the costs of prosecution, such person may be imprisoned with or without hard labour for any term not exceeding six months.
